

# Company Profile

**RAVAK<sup>®</sup>**

Beautiful bathrooms  
are our passion.

We create them with love  
and respect for the material  
and craftsmanship, but first  
and foremost, for our client's  
needs and wishes.

# VISION

We do everything for the feeling that our customers experience when they enter their new bathroom, a feeling they will relive every day for many years.

# VALUE

## 1

We won't settle for less than excellence

You can do things carelessly, well ... or perfectly!  
At RAVAK, we strive for the highest possible quality in everything we do.

# VALUE 2

We look at things  
from new perspectives

and actively seek opportunities  
for change.

We don't see change as a response  
to the state of our environment;  
it's about our everyday approach.  
We are always looking for ways to  
improve. At RAVAK, we welcome every  
suggestion for change.

# VALUE

# 3

We love beauty

and believe that beautiful things are good for people.

At RAVAK, we try to make everything attractive.

# RAVAK COMPANY

On the market for over 30 years.

European manufacturer - manufacturing companies in the Czech Republic, Hungary and Poland.

# OWN PRODUCTION

# INNOVATION

# TECHNOLOGY

## RAVAK Press Shop

Making an acrylic moulding of a future bath by using the technology of vertical heating.

## RAVAK plating plant

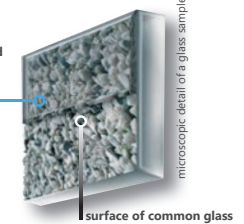

Anodising aluminium profiles - manufacture of the sturdiest shower enclosure, door and bath screen frames.

## RAVAK Paint Shop

Electrostatic powder painting of aluminium shower enclosure, door and bath screen frames.

Surface of glass treated with RAVAK AntiCalc®

## RAVAK AntiCalc®

A revolutionary technology which creates an invisible water repelling protective layer on the glass.

# MATERIALS

## **Cast composite material**

It is a mixture of ground dolomite and resin which is used to produce washbasins and shower trays.

## **Laminate**

Highly effective reinforcement of acrylic products with polyester resin with glass fibre.

## **Thin-walled ceramics**

The washbasins made of special corundum-based blend look very delicate, they have precise and exceptionally thin edges, yet they can withstand everyday use in the bathroom.

## **Furniture boards**

Bathroom furniture is manufactured using quality chipboard treated by high-quality moisture impregnation AMT (Anti Moisture Treatment) from leading European manufacturers.

# ESTEEM FOR MATERIAL AND PERFECT CRAFTSMANSHIP

# DESIGN

## **Kryštof Nosál**

An author of most RAVAK products.  
Proponent of uncomplicated, clean solutions  
with a clear idea.

## **Achim Storz**

Austrian product designer, author of RAVAK  
bathtubs as well as car interiors for  
brands such as Porsche, BMW, Audi and more.

## **Vrtiška & Žák**

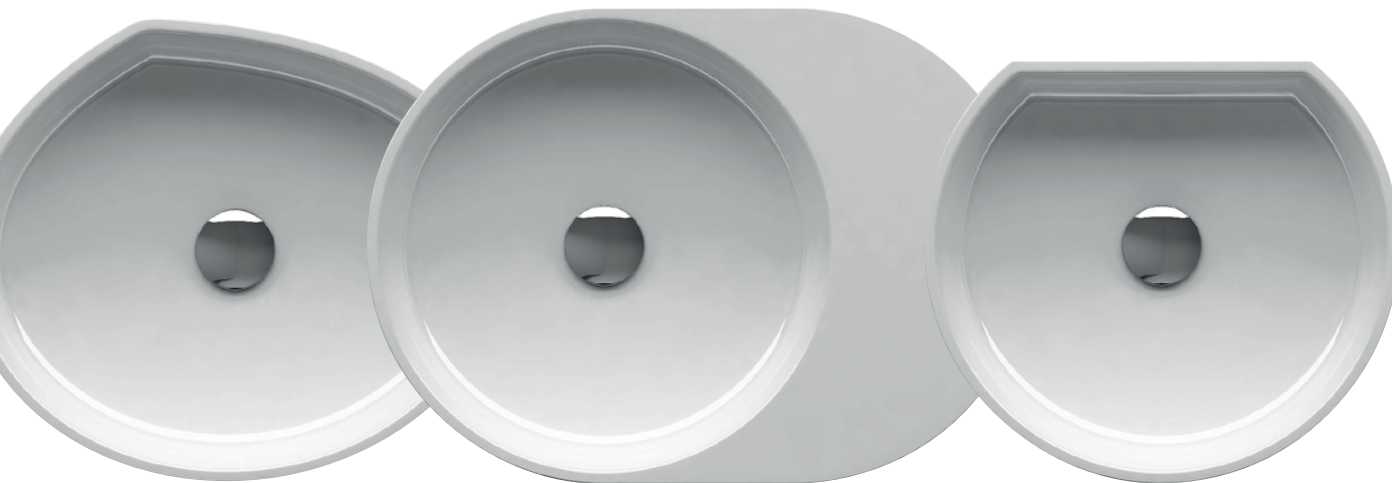

Founders of Prague studio Vrtiška & Žák,  
with more than a decade-long tradition.  
They were brought together by their diligence,  
passion for overcoming challenges, and ability  
to see potential where others cannot. Their work  
covers a complex range of fields, from designing  
products to interior design and architecture,  
from craftsmanship to industrial-scale  
production. Creativity and unconventional  
thinking are the core values of their work.

# AWARDS

Original design solution and practical products thought out to the last detail. These are the main elements of RAVAK's creative attitude which brought many international awards.
